Thread: [Chat+ Referral Contest - PayPal/Bitcoin Rewards](#)

FDNY - July 31, 2014, 11:49 pm

Hello, HF members!

I am now opening a contest for those who refer high-quality members.

Each individual who refers at least 5 people who make 10 or more high-quality posts, at least one of which must be a non-introductory thread, and posts on this thread afterwards will be entered into the contest. A number will be assigned to you, and once the contest is over, we will use random.org to select our winners.

If you refer 15 people who all make 10 or more high-quality posts, at least one of which must be a non-introductory thread, you will be entered into the contest twice. Please remember to post that you've done this on this thread, or you'll only be entered once.

Three winners will be chosen.

First place: \$15 PayPal or Bitcoin & Award

Second place: \$5 PayPal or Bitcoin & Award

Third place: Award

Remember, only one account per IP. You may not multi-account to participate in this contest. Keep it honest, keep it fair. This will be open until the 22nd of August at midnight, so get referring!

Your referral address can be found here once you sign up.

Thanks, and good luck!
