Thread: [Christmas Special - STEAM KEY GIVEAWAY](#)

Craze - August 1, 2014, 10:54 am

Thought rather than doing a contest or a giveaway for one, it would be better for everyone to receive something even if its small or holds no value.

I'm giving each person a random steam key

To enter, post below on this thread and have some patience, you will eventually receive a PM from me with a steam key.

New members are not welcome - sorry ?

Merry Christmas everyone! ?

Note: I don't know whether this is allowed or not but if it isn't, please let me know. I've seen a couple other members do this so not too sure.

Hunion - August 1, 2014, 10:54 am

Sweet how do I sign up? If its anumber I pick 69

(Aug 1, 2014 10:57 AM)Mustache Wrote: [\[CITE\]](#) i will be giving away 5\$ to 12\$ a day ? i will message/quote you all when my giveaway starts! ?In that case, I will leave a post now in order to recieve a PM.

Muzzaa - August 1, 2014, 10:59 am

Let's goooooo! thanks OP you're awesome!

Aurora - August 1, 2014, 11:02 am

Ooh, I have to vouch for this guy. He's a very generous member. Was in his last giveaway, and got the money. ?

Question: Are people from your other giveaway allowed to participate in this one as well?

Aurora - August 1, 2014, 11:05 am

(Aug 1, 2014 11:04 AM)Mustache Wrote: [\[CITE\]](#) for sure mate ? but new Bro's goes before old Bro's ?

Alright that's good. Gotta give other people the chance. ?

Death Gun? - August 1, 2014, 11:07 am

(Aug 1, 2014 11:00 AM)Mustache Wrote: [\[CITE\]](#) awesome bro! should i do one big winner? or split it to 1\$ per user? ? up to you guys! ?I would say make it \$1 per user, to give more people the opportunity to participate in your giveaway.

Ad?m - August 1, 2014, 11:24 am

I'm posting to enter. I think that's what I do. I'm not sure. You're OP doesn't really explain anything at all.

(Aug 1, 2014 11:18 AM)1001 Wrote: [\[CITE\]](#) I would say make it \$1 per user, to give more people the opportunity to participate in your giveaway.

then i should do that ? 1\$ to ub3r and 0,5\$ to L33t ? and i raised the giveaway from 12\$ to 40\$?
