anyway correct me if i'm wrong.

Cunt - June 14, 2010, 1:17 pm

Yeah Miharbi you are right, but I guess if the Author would like it removed if they come here and post I'm sure Flaming will remove it.

You could at least give credit to all the Coders you ripped the sources from, even if you didn't ask if you can redistribute them, this is not fair at all.
