Thread: [Is this a glitch? 54 awards](#)

Schnitzel - August 3, 2014, 11:15 am

I was just browsing HF and saw Snorlax had 54 awards shown on his threads and posts. Was just wondering if its meant to show all his awards?

Omni gave him almost all of the awards...

It isn't a glitch.

Also, please use a spoiler next time. ?

Mikavw - August 3, 2014, 11:16 am

No he actually got all those awards.

Kind of ridiculous that he got all those but I'm jealous though.

Talu - August 3, 2014, 11:24 am

He was given those awards. You can read their descriptions.

#Thunder - August 3, 2014, 11:25 am

He was given those awards because 'Snorlax donates a bit to Omni.

i?irXa™ - August 3, 2014, 11:26 am

Omni found the Booze cabinet and then 'Snorlax won the lottery.

No.. thats not what happened.

Snolax ask omni to remove some awards. Omni removed too man so Snorlax got pissed and Omni gave him every award.

Morchid - August 3, 2014, 11:28 am

It is not a glitch, Omni decided to give him pretty much every award on Hackforums.

Are you just assuming or do you have proof that actually happened?

Dream3rs - August 3, 2014, 11:29 am

Thats what I heard happened.. Can remember from where, though... xD

Why do people make threads asking if snorlaxes profile is a glitch so often? I don't know why you would assume it's a glitch, he's obviously been here awhile.

Echoz - August 3, 2014, 11:32 am

Seriously, what's the point in some of these awards though? Liberty Reserve head? LR was taken down by the government.

Meow - August 3, 2014, 11:32 am

Omni was walking with Johhnie and decided to give some awards to 'Snorlax

He's removed rewards before mate. I've been here for awhile to notice changes.

Troye - August 3, 2014, 11:38 am

No it is not a glitch. Because his name is Snorlax, he got all of the awards.

People payed for the LR head award, so Omni won't remove it.

Why would Omni remove an award that users paid to get?

If you have awards and you dont want them no more omni will remove them from the profile from what I have seen.

I forget about that... It's been so long since I've actually seen LR.

Rooter - August 3, 2014, 11:45 am

This is pretty crazy. He always has huge posts.

Yes, but that's him removing your specific award because you asked him to. But Omni wont remove an entire award because it's no longer obtainable (like the LR Head).
