[CONTEST HERE](#)

Hello, HF members!

I am opening a posting contest. The winner will receive \$20 via PayPal or Bitcoin, your choice.

How this is going to work is you are to post on this thread if you're going to participate in the contest.

This contest will involve a points system. For every high-quality post you make after posting in this thread, you'll receive one point. For every high-quality thread, you'll receive 3 points. Quality of thread determined by staff.

Whoever has the most points wins and receives the money. Second place will get an upgrade.

Contest ends 09/04/2014 at midnight.

Thanks, and good luck!
FDNY/Falcon

THIS CONTEST IS FOR CHATPLUS, NOT HF!

Most people are viewing the official thread on-site, rather than this thread here on HackForums.
