Zadnik - August 9, 2014, 4:56 pm

Zadniks Review...

Quality/Content 6/10:

Since this is a free ebook, probably found on the internet, thats all I can really say.

Grammar/Layout 6/10:

The grammar in this ebook is very easy to understand, the layout is just step by step. Im rating this 6.

Ease of Use 8/10:

Some bits in this ebook I had to work out what I had to do to claim the milk, but everything else is fine.

Originality 4/10:

Im going to be rating this a 4, since this is free, it is probably going to be found somewhere else on the internet.

Overall 7.5/10:

This method can and will make you money, you just have to put a little work of clicking buttons into your daily work.
