Left Hand Too Untill I Found The Most Pleasures Thing... Righty. So I Started To Meet Here While Lefty Sound Asleep And we Had Relationship About 1 Mouth and 3 Weeks Untill Lefty Called The Tv Show "Cheaters" We Caught.

But I Had Many Nicknames For Girls Sometimes.

"Kitty" Some Girls Like To Get Called That For Some Reason But It Made Them Happy. I Also Don't Like Using "Babe" Just Bothers Me.

I'm unoriginal.

So I just call my girlfriend babe, bae, bby.

We also had a joke from a tumblr post where it was like, "Cute names to call your girlfriend: Flour, sugar, salt, egg, etc." so we use to call each other those as a joke for some time. It died down now though.
