Thread: [Free thread designs for users](#)

zStabilityy - August 11, 2014, 5:25 pm

Making free thread designs either custom or by template.

Note: I'm not giving my templates away. ALL WORK IS DONE BY ME AND ME ONLY.

Absolutely free for all L33Ts, UB3Rs, and Epics!

Status: OPEN!

If you would like a thread design PM me what you want and i will get it to you as soon as i can.

You can pick either of the following templates:

Template 2

Spoiler [\(Click to View\)](#)

Template 3

Spoiler [\(Click to View\)](#)

Template 5

Spoiler [\(Click to View\)](#)

Or Custom Design

Spoiler [\(Click to View\)](#)

PM me this

Code What theme you would like:

Link to your thread you wish to be designed:

-or-

Info to put on the thread:

Specific colors:

If you dont PM me with the info above im not wasting my time with you. Too many people have been pming me asking for a design and not telling me what info to put on it.

Quickest way to contact me ? ADD me on skype: zStabilityy_gfx
