Thread: [Free Skype Resolver + IP2Skype API \[AND MORE\]](#)

Kasual™ - August 12, 2014, 7:28 pm

Hello!

Today I am giving away a free Skype Resolver API and IP2Skype API. Both are working and will continue to work.

Link

Spoiler ([Click to View](#))

<http://skypeip.net/apihelp.php>

There are 15 API's for various types of tools. Also a setup guide is included.

Enjoy!

this looks sick :D great job !!!!

Suspended_Account - August 12, 2014, 9:28 pm

30 more resolver websites opening up in 3. 2. 1...

Spoiler ([Click to View](#))

but thanks op for the share! ?

Kasual™ - August 15, 2014, 3:25 pm

Skype Resolver and IP2Skype is working again. Also all the tools are working again, including the DB Lookup.

Lis?hén - August 15, 2014, 3:27 pm

Nice sharing bro ;) Also nice resolver hihi

DrSpy - August 15, 2014, 3:43 pm

Thanks for sharing but didn't worked for me i tried to get my own ip and it came up with IP NOT FOUND

Dayumm - August 15, 2014, 3:46 pm

Ewww it looks horrible on phone. Please fix that lol. Cant use it now..
