Thread: [\[TUT\] Create a SICK Glitched Text Effect! | Yore](#)

Yore - August 16, 2014, 4:20 am

This is an effect that looks really good, especially on YouTube banners. I have used this a lot, so I thought: "Why not share it with HF?"

Enjoy guys!

Kind Regards,
Nautilus

Raz3d - August 16, 2014, 4:31 am

Nice tutorial made by my friend, keep it up mate.

Talu - August 16, 2014, 3:44 pm

What version of Photoshop do you use?

Toggle - October 24, 2014, 2:17 pm

Ive always loved this look, and how simple it is to do

cyberducky - October 24, 2014, 2:19 pm

Thanks for your contribution in the Graphics sub-forum. Many people use this in youtube banners, and I have used it quite a few times as an extra little thing.

Mazinga - October 24, 2014, 4:19 pm
