Vouches:

(Aug 25, 2014 02:37 PM)Ratchit Wrote: [\[CITE\]](#) I read the ebook. This is actually one of the most unique ebooks I have ever seen. And it does not look hard to do. OP has my vouch, for now. I'm going to be working for him until my first payment. Dude literally went out of his way to convince me that he is not multi-accounting. This community needs more users like him.

(Aug 27, 2014 12:24 PM)Suits Wrote: [\[CITE\]](#) Looked over this method this morning. I've seen the first part before and I'm pretty sure that it works very well still, though I've never tried it yet. But the second part of the method I've definitely not heard of and I think that it's the best part. Seems like an actual legit way to turn the profits from the first part of the method into reoccurring revenue that you don't have to work hard to maintain once you've set it up. IMO this method is worth the money, and if you work hard in developing it, you can see yourself generating revenue from it for a long time with little maintenance.

(Aug 19, 2014 03:00 PM)Limited Edition Wrote: [\[CITE\]](#) First of all, I would like to vouch for Gangstahpy. I have never spoken to him prior to his request for me to review his eBook.

Review

Grammar 9/10

There was very few grammar mistakes, it was a pleasure to read.

Content: 10/10

It includes everything you need. Its 12 pages long but don't worry you are not hit with a wall of text.

It answers any questions you may have in the eBook. I actually tried to think of some smart questions but I couldn't since everything was so straight forward.

Originality: 10/10

It has already been mentioned that the first part is a method others use BUT this is NOT his method. He just needs to cover that part before he tells you his own method. If he didn't then you wouldn't have a clue what he was walking about when he gets to his method. His method is 10/10, 100% original and I am so pleased he requested me to review his eBook.

Layout: 9/10

Its wrote in nice clear text, nice sized screen shots, the layout takes nothing away from the eBook at all because its very nice to look at and easy to read. I guess its down to personal likes as I like everything to be centred with borders and pretty colors but even with all that, the method would still be the same lol.

Overall: 9.5/10

This method has the potential to earn you exactly what he mentioned in this topic. With enough work you could earn more than he said. Its NOT hard work, its actually easy work and enjoyable, its just a little time consuming. You could have everything set up in as little as a couple of weeks if you have enough time to spare. He says the method can take a lot longer than that to be as honest as possible. It really all depends on how much time you can put into this method, nothing else. I wouldn't say no skill is involved as you do have to manually do some things to set it up but my dad who has never used a computer before could get on and be able to do it to a high standard within a week.

Personal message

I strongly advise people to buy this method. I actually use the first part a little myself. Then when I read his method, I was amazed at how much extra I could be earning. I've been missing out on \$1000's each month, if only he wrote this eBook several months ago! I would be semi-rich by now lol

(Aug 19, 2014 04:13 PM).Sinister Wrote: [\[CITE\]](#)

? Sinister's Personal Review of Gangstahpy's eBook ?

Please note that I am not in any way affiliated with Gangstahpy or his eBook.

I have received a vouch copy of this eBook and below you will find my review on it.

I have reviewed this eBook under the following categories: grammar, originality, ease of use, and organization.

Grammar: 9.5/10

I usually don't often find eBooks with correct English. Everything in this eBook has proper punctuation, grammar, and spelling. There was only slight, just slight errors here and there, but that will not at all, in any way, confuse you on how to use this method.

Originality: 10/10

Of all the eBooks I've read, I have NEVER seen this method before. I'm not even kidding, I have

never seen something like this before. I've read a lot of garbage eBooks here and there with the same old method over and over again, but this eBook, this one is pretty unique. I'll say this, there is a method included in this eBook that people, including myself, DO know, but the way Gangstahpy put his own method INCLUDING that method makes it original and unique.

Ease of Use: 8.5/10

Exactly what Gangstahpy said, you WILL NEED to put work and effort into this. Money isn't going to start showing up out of no where if there's no work put in to this method. It WILL work. It looks really promising actually as well.

Organization: 10/10

Pictures, titles, paragraphs, thank you for that. There isn't a gigantic wall of text that you will have to sit and read and be bored to death. Very nice layout, very pleasing to the eyes.

Overall: 9.5/10

I would rate this eBook a 9.5/10 overall. Like Gangstahpy said, you won't get no where if you don't put any work. Work is required and needed to earn. If you can't handle that, don't buy this eBook, you'll just be wasting your time. However, if you're willing to put all effort and are going to utilize your time by working, this is the method for you. Investments aren't needed here, but it may help you out if you're going to try this eBook. Personally, I think it's an interesting eBook, but with all the work I have in real life right now, I don't plan on using it. It does require work like I said, and with the time I have, I don't plan on using this method. However, if I ever have free time, I will definitely consider using this method as one of my ways of making an income online.

? SINISTER APPROVED ?

(Aug 19, 2014 11:55 AM)Meow. Wrote: [\[CITE\]](#) Hey guys,

My name is Meow. and I will review this eBook today.

User PM'd me asking me to review his eBook,we are not friends is ANY way,shape or form.

Grammar 9.5/10 : I've seen maybe 1 or 2 small mistakes in this eBook.

Mistakes will not change eBook in any way or make it unreadable.

Originality 8/10 : This method is known and much people use it BUT member has it's own TWIST that will make you much more than public method (It's not really public but some people know about it)

Layout 8/10 : Method is simple without any colory bullshit and other stuff.

Some images aren't in center but that will not make any diffrence.

Easy of use 8.5/10 : You need computer with internet,brain and mobile phone.

Everyone can do it.

Overall nice eBook that is worth your money and time.

IT WILL take some work (maybe 1 hour a day or something like that) to make 2.000\$ but once you do it will be smooth sailing.

Method isn't Semi-Autopilot for the first part but later it's 100% autopilot. ?

(Aug 19, 2014 12:28 PM)dezatino Wrote: [\[CITE\]](#) DEZATINO REVIEW

Originality: 8-10

To start of let me state that the first part of the e-book is known BUT it is required to get you to the Residual Income explained in the second part. The book itself guides you to become a bit of a entrepreneur and makes you hustle to achieve the results you want. If you are questioning "Is it worth the money?" YES, it does if you are willing to put hands to work and push yourself to reach the \$\$ you want.

Grammar: 9-10

Well written and no big grammar mistakes throughout the e-book.

Difficulty: 7-10

The method requires some time to setup , so if you are wondering "am i going to get rich today?" no. You are going to get a GOOD residual income in a few months AND you will become more proactive believe me if you follow it to the end this will be just the beginning of the incomes.

Layout: 6-10

The e-book has some pictures that aren't centered in the pages and the text could be a bit worked with colors/bold's. Nothing that changes the e-book quality or difficult the reading aspect. Just for aesthetic reasons.

Conclusion: 7.5

If you are sick of spending your time earning 0,01\$ or a couple of bucks and want to start investing your time in something that makes you earn cash enough to make a living with some effort while learning a lot of things in the way, This is YOUR e-book.

[img]http://s18.postimg.org/7068fovbd/buy_premium.jpg[/img]

[img]http://s10.postimg.org/6mkqv0n1l/buy_standard.jpg[/img]

Design Bought From:[Thebizalsland](#)

The point of this eBook is to make a Residual Income.

What is Residual Income?

-Residual income is when you continue to get paid for the rest of your life after the work is done.

This eBook focuses on building a residual income, while you also make money along the way.

This includes two methods, both of which go hand in hand.

The first method is somewhat known, but the second part has NEVER BEEN SEEN before and that is where the residuals come in.

2/2 vouch copies given

Refunds are only for support versions of the ebook.

Panoply - August 18, 2014, 2:21 pm

Could I receive a vouch copy op? :)

Will write a full detailed review.

Panoply's Thoughts on this Ebook

Originality - 7/10 Seen this method once before, but its guaranteed to bring in a good income if executed properly. You can surly make your money back from this

Grammar - 9/10 Minimum amount of grammar mistakes in this ebook

Ease of Use - 7/10 This method requires some work, you are not gonna get payed 5 mins after purchasing the ebook, but with work put into the method you are surly going to make a profit.

Layout - 6/10 slightly dull could use some more color into the ebook however the method is boldly stated.

Quality of Information - 10/10 It explains everything about the method and how to properly use it and get an income from this.

Overall - 7.5/10 Great Method!

?Island™? - August 18, 2014, 6:29 pm

Haven't started this method yet because I work 12 hours a day(its a nightmare) , but he's answered all my questions perfectly!

I am seriously considering quitting my job in order to do this method... I earn 10\$ an hour, but i can't keep passing this up anymore!

It is literally killing me inside that I'm wasting my hours at work when I know I should spend my time on this instead, it's all I can think about all day.

Thank you SOOO much!!

You're welcome! thank you very much for posting this =)

(Aug 28, 2014 03:48 PM)RECKZTA™ Wrote: [\[CITE\]](#) Looks promising any more vouch copies?

Hey, I did give out my vouch copies, but if you still want one, I can offer you the book at a much lower price since you asked before, I would love for you to leave a review.

Gangstahpy - September 13, 2014, 3:44 pm

3 copies left for support, so get it while you can at 50% off!!

Gangstahpy - September 14, 2014, 6:02 pm

2 spots left for support and last day at 50 % off!!

Gangstahpy - September 15, 2014, 6:10 pm

still have 2 spots at support and everything is 5\$!!

Gangstahpy - September 17, 2014, 1:21 pm

still have 2 spots at support and everything is 5\$ for a few more days so get it while you can!!!

Gangstahpy - September 19, 2014, 7:09 pm

Only one spot for support left get it while you can!

Gangstahpy - September 21, 2014, 7:16 pm

Still one copy for support left guys get it while its still available!!

derpysnap - September 25, 2014, 5:43 pm

Huge vouch for this guy, this method is crazy and works for ANYONE! ? GLWS OP!

Keith Ape - September 25, 2014, 7:38 pm

I thought you said it was \$5?

35 Characters.

:(

Gangstahpy - September 26, 2014, 4:20 pm

non support is 5\$, and if you buy non support and later decide you want support, I'd be willing to offer it at 20\$

?Island™? - September 29, 2014, 3:56 pm

Talked this afternoon with this guy and this is still working perfectly... good method... vouch from me :)

Gangstahpy - October 4, 2014, 12:58 pm

(Sep 25, 2014 05:43 PM)derpysnap Wrote: [\[CITE\]](#) Huge vouch for this guy, this method is crazy and works for ANYONE! ? GLWS OP!

Thank you very much. Gonna keep this at 5\$ until the end of the weekend.

thanks a lot man. Still selling this at 5\$!

Gangstahpy - October 14, 2014, 3:28 pm

This is back to regular price by sunday, get it while you can!!

Gangstahpy - October 17, 2014, 4:08 pm

2 more days to get this at 5\$!! then its back to regular price!!

Minted - October 18, 2014, 1:15 pm

Just purchased this ebook! Method seems to have potential + the tips the author includes will boost your income per month! I will post an update on here with my earnings soon.

Gangstahpy - October 19, 2014, 1:54 pm

Today is the last day for the sale! You'll never get this for 5\$ again!

Wizzay - October 19, 2014, 4:18 pm

I have bought this, and what the OP didn't mention is, the targetting country is mostly US. I live in europe and can't speak english very well so this is not optimal for me. For anyone in the US its great. I will update this when OP helps me setup for europe.

Gangstahpy - October 20, 2014, 1:35 pm

You can still do this anywhere in the world as long as you can speak english.

Factørial - October 21, 2014, 4:10 pm

This ebook is VERY tiring, and time consuming.

Minted - October 22, 2014, 2:40 pm

Hey man, I am waiting for a reply on skype so I can start the method.

Gangstahpy - October 22, 2014, 5:38 pm

(Oct 22, 2014 02:40 PM)Cepture Wrote: [\[CITE\]](#) Hey man, I am waiting for a reply on skype so I can start the method.

I've messaged you on skype, sorry been quite busy lately.

Gangstahpy - October 25, 2014, 7:52 am

keeping this at 5\$ for the rest of the weekend probably!

Gangstahpy - October 26, 2014, 10:28 am

last day for 5\$ on the ebook. This is going back to full price.

divo99 - October 29, 2014, 11:32 am

whether this method like ptc / ads shares or referral system ?

May, to pm me for details.. i appreciate

Gangstahpy - October 30, 2014, 3:51 pm

this has nothing to do with that at all.

Imran Khan - October 30, 2014, 4:58 pm

Does this method involve Blackhat activities? Please let me know thanks!

Gangstahpy - October 31, 2014, 4:05 pm

(Oct 30, 2014 04:58 PM)»»Ž«« Wrote: [\[CITE\]](#) Does this method involve Blackhat activities? Please let me know thanks!

No blackhat activities at all. Ive sent you a pm.

Gangstahpy - November 1, 2014, 7:24 pm

Who knows when this will go back to full price?! I do!

Gangstahpy - November 3, 2014, 11:43 am

This is now at half price for who knows how long.

Gangstahpy - November 4, 2014, 2:58 pm

Still at half price till at least the weekend.

Gangstahpy - November 5, 2014, 4:27 pm

extending this sale for 7 more days from today.

Gangstahpy - November 6, 2014, 6:39 pm

Guys get this while its cheap!! the book is worth way more!!

Kill?Muvz - November 7, 2014, 12:26 am

Is it still working that well? Hit me up, I would like to give it a go.

matparker - November 7, 2014, 8:47 am

Going to purchase this later hoping it will meet my expectations

Gangstahpy - November 7, 2014, 4:47 pm

sorry since you messaged me when it was still at 5\$, ill give it to you for 5\$. Check your pms.

Gangstahpy - November 9, 2014, 1:32 pm

This is the last day on the sale!! Get it while its cheap!

Gangstahpy - November 11, 2014, 11:26 am

Buy this, Work it, And start living!

Gangstahpy - November 12, 2014, 2:45 pm

This is the last day on the sale!! Get it while its still cheap!

Gangstahpy - November 14, 2014, 2:21 pm

Guys get this while its cheap!! the book is worth way more!!

Gangstahpy - November 16, 2014, 11:40 am

last day for 50% off, then back to full price.

Gangstahpy - November 17, 2014, 1:23 pm

I am going to continue selling this at half price for all those who've missed out.

Gangstahpy - November 22, 2014, 11:11 am

i still have one spot left for support open. Support is offered with the refund after 2 weeks of doing the method. Get it while it's half price!!

HakerPoland - November 22, 2014, 11:35 am

Hello is there for me to do help?for \$ 20 i send my e-mail pay pal , and I earn?
i from Poland so my speak english not good

Gangstahpy - November 22, 2014, 2:31 pm
