Thread: [Maximum's Currency Exchange | BTC | PP | WU | INTERAC](#)

Maximum - August 19, 2014, 12:09 am

I've been exchanging here on HackForums for quite some time and have never actually had an exchange service, so people of HackForums here it is.

My Paypal>Your Bitcoin 1:1

My Bitcoin>Your Paypal preev+10-15%

My Bitcoin>Your Interac (PM me)

My Interac>Your Bitcoin (PM me)

My BTC>Your Western Union 1:1(You pay fees)

Terms of Service

-I will not go first under any circumstances

-I will only accept Paypal from users that I deem trusted.

-I have the right to refuse to exchange with anyone for any reason.

-Any charge backs will result in a scam report

-All deals will be done on site through PM.

-I have the right to ask for proof of ID for payments dealing with Interac or Paypal.

Added you on Skype. Looking forward to exchanging more with you.

Please accept so we can do a trade ASAP.

Thanks.

This is my 3rd time exchanging with Jr, actually probably more. So, if you couldn't tell by now, he's legit and has my vouch.

Ayy lmao

Vouch for Junior, exchanged before.

Fast and secure.

Never exchanged BTC before so I messaged the seller with an inquiry as well as questions and he ignored it.

You were likely not deemed trusted enough. Personally I wouldn't accept PayPal from you either.

Vouch for Maximum though. Very HQ and trustworthy.
