Thread: [\[OFFICIAL\] ALS Ice Bucket Challenge // Videos and Nominated Members in here](#)

Hydra - August 19, 2014, 8:23 pm

Due to the high amount of interest shown in [this thread](#), I am posting this thread as the GOTO thread for the HF Event.

This thread will contain everything. Discussions, videos, nominations, everything. No other threads should be created, we can't have 100's of threads being posted, that's spam and nonsense.

What is ALS?

Spoiler ([Click to View](#))

Amyotrophic lateral sclerosis (ALS), often referred to as "Lou Gehrig's Disease," is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord. Motor neurons reach from the brain to the spinal cord and from the spinal cord to the muscles throughout the body. The progressive degeneration of the motor neurons in ALS eventually leads to their death. When the motor neurons die, the ability of the brain to initiate and control muscle movement is lost. With voluntary muscle action progressively affected, patients in the later stages of the disease may become totally paralyzed. [>Read More](#)

What's the Ice Bucket Challenge?

Spoiler ([Click to View](#))

The Ice Bucket Challenge is a challenge where one person starts the trend. S/he will grab a bucket, pour water and ice in it to make it very cold, and pour it on themselves. This is all recorded as well. Before or after you do this, you nominate up to 3 people and then donate to [www.alsa.org](http://www.alsa.org). The amount is up to you, you don't need to donate \$100, and even \$1 counts. 1,000 people donating \$1 is \$1,000, which is a lot. Then the 3 nominated people will do the same thing.

Example:

Where and How Do I Donate?

Spoiler ([Click to View](#))

Go [here](#) and fill in the form.

Spoiler ([Click to View](#))

I got Nominated, What do I have to do?

Spoiler ([Click to View](#))

You need to grab a bucket, pour water and ice. Wait for it to get cold and as you wait, nominate up

to 3 HF members who weren't nominated already. After you do, pour the entire bucket on yourself. This all has to be recorded, and then uploaded to YouTube. You then have to donate to ASLA( [www.alsa.org](http://www.alsa.org) ). After doing all that, you will post in this thread with the YouTube link and proof of donation(block any personal details). Make sure you PM your nominees so they are aware of it! That is crucial!

My payment processor isn't supported:

Spoiler ([Click to View](#))

Some of you may not have a credit card, paypal, or any other accepted form of payment. If you have cryptocurrency or any unsupported payment processor, please visit the [currency exchange subforum](#) to exchange the funds into PayPal. Please be cautious when dealing, you may be at risk of getting scammed and therefore I do not take responsibility of any transactions you make. You are solely liable for it all.

I do not have any money to donate at all:

Spoiler ([Click to View](#))

If you absolutely do not have any money to donate, that is fine. If you can, talk with your family and come up with some type of payment because this is all going towards a good cause!

Let's Begin!!!

**Pury** - August 19, 2014, 8:26 pm

Cool thread! Yay im the first post so everyone will read me ;)

I doubt many people are going to do it though :/

**Traphik** - August 19, 2014, 8:28 pm

I actually got nominated by my friends 30 minutes ago lol. I might do 2 takes, one with a mask and one without haha

**Wired?** - August 19, 2014, 8:29 pm

I've had ice water poured on me many times. It's just cold and kind of uncomfortable, nothing amazing about it. Also not very funny reactions in a lot of the videos. Challenges like eating hot peppers are a lot funnier.

**Majinferno** - August 19, 2014, 8:31 pm

Yea I made a thread concerning the creation of an official ice challenge, but not many people were down for it. This is kinda unofficial, but I don't really care to much.

My thread: <https://hackforums.net/showthread.php?tid=4401514>

**Vegas** - August 19, 2014, 8:31 pm

Nice. I'm pretty excited to see who nominates who and how much we can all donate. Nice nominations too. It begins!!

**saiyan?** - August 19, 2014, 8:31 pm

The first time I've seen someone do this was on instagram & that was The Rock lol. I think some people would do it.

**'Ryan** - August 19, 2014, 8:35 pm

Holy shit someone nominate me. That's got to give you a green freeze straight from hell.

**Yumi** - August 19, 2014, 8:35 pm

Cool thread. Hope to see a couple people do this.

**? PROFIT ?** - August 19, 2014, 8:36 pm

I hope i don't get nominated...

i don't wanna leave my computer to go buy ice.

**Alice Dee** - August 19, 2014, 8:39 pm

These ice bucket challenges are shit. The New Zealand Ice Bucket Challenges are vicious!

**BottomNotch** - August 19, 2014, 8:57 pm

Let's get this party started :3 Omni better do it;)

Fucking bangwagon followers.

Who the fuck does this shit?

**Rote** - August 19, 2014, 9:28 pm

Might considering doing this. Need to find a good mask first haha. The whole donation side of it tho is a bit off right now, so many saying there just scamming ect..

ASLA scamming? Not possible. Over 30 million dollars has been donated, it can't be.

**Vitani's Mate** - August 20, 2014, 2:34 am

Well I haven't been nominated yet.. Thank fuck.

But if I do, I will nominate 6 people here and 6 people from Facebook.

So, everyone is fucked. ^^

**bandors** - August 20, 2014, 3:33 am

Woo, I completed the challenge!

It was pretty fun :D

**Regulus** - August 20, 2014, 5:58 am

Holy shit this is actually happening, Okay now i shall wait for my nomination, nervous.

Spoiler ([Click to View](#)) I really fucking hate to record myself and see myself on video so i will wear a huge mask or something to avoid showing my face haha

**?\_?** - August 20, 2014, 6:07 am

It's a bandwagon because it's about charity, the challenge itself is a front to give money away, it's kinda like races where people run laps and every lap earns a little bit of money, but it's more like a, pass this on to 5 friends thing. It's a viral charity challenge.

**Matt Bomer ??** - August 20, 2014, 6:10 am

Please don't try to nominate me. ?

Edit: Donated already. (I am not actually Matt Bomer) // My reason for donation is I am very inspired by Matt, and when I saw him complete the challenge, I thought I'd donate, and NOT do the irl nominations I received as I'm not a big fan of myself.

Edit 2: I donated before this thread. ?

Saying "Official" people won't go make their own threads, but it's still happening. Oh well. It just defines this thread as the main one. My goal was to have a single thread, would've been better.

Bandwagon? That's the point. Everyone is doing this for fun and donating to ALSA. Is that wrong? It's a good thing, everyone should jump on the wagon and do it.

**Froggy** - August 20, 2014, 12:21 pm

I'm debating on whether or not I should do the video. I was really hoping to not be nominated because this is the stupidest shit ever (the challenge, not ALS). Regardless of whether I do the video or not, I'll still donate.

Yeah I was pretty much in the exact situation. In the end I just donated and decided it was for the best if I didn't do the challenge.

The challenge is stupid, but it spreads awareness. The ALS foundation has actually had a HUGE increase in donations since the challenge started.

Anyway, I will gladly do this if I am nominated. :) I might even do it if I am not. :P

Cool beans, I don't really like this concept though becuae most people don't even say it's for ALS

and probably don't even donate which kinda ruins the purpose.. But anyway good luck to anyone who pours water over themselves!

My mom did the ice bucket challenge because her aunt had passed away from als almost 9 years ago i guess. so while she was getting ready i put salt in with the ice to make it colder and all she could taste salt so i decided to do it too it was fucking cold. and also considering it was a cold day where i live XD but yeah its a good thing to do seeing as als is something verry unfortunate to have

Wearing a mask and then pouring water over your head is not a good idea. Unless the mask is this plastic thing that only covers up your face, then it's OK.

A cap that covers up your whole head is not a good idea, as it'll feel that you're drowning.

And fuck all of you that says "but I can use a hardened cap/mask", then you're not really doing the challenge as the water doesn't go over your head.
