Write a random number between 0000217100 – 0000217900 in the Alumni ID/RIN field.

Free .edu email enjoy!

[Dreamspark Signup](#)

[AutoDesk Signup](#)

Credits only go to the OP

You've clearly copied ?Sith Lord with this... He's giving away the same emails.

They aren't exactly (whatever@.edu) and you can't send emails from them unless you pay and upgrade your account.

Should of gave credits.
