Thread: [Can you buy BTC price LCD displays?](#)

Dickyb0bSue - August 20, 2014, 9:38 am

I am looking in to purchasing BTC lcd price display hardware, so i dont have to keep switching from my games to websites, i can keep an eye on the price while i play games etc..., and no i wont run 2 pcs or 1 laptop or 1 pc..., i want something seperate that plugs in to a usb slot or something..

w34k - August 20, 2014, 10:39 am

You can do this with the Raspberry Pi and a Python script.

Buy this : <http://raspberrypi.org>

Use this script : <http://raspberrypi.org/forums/viewtopic.php?t=71054>

If you mine, you can use this too.

No problem, glad I could help. ?

Are you mining at all ?
