As soon as my bit coins arrive I'll do business with you (:

I hate how coinbase makes it so you don't get your coins right away unless you have a visa credit card x.x

I'll buy them ALL if you'd accept PayPal.

ItsATumor - August 21, 2014, 8:12 pm

Err, problem. I don't have a paypal, and unless I can get it verified I would not want it limited. Get it exchanged and i'll give you a good rate.

My PayPal is fine, it won't get you limited. Even if you were to ever become limited, you can instantly cash-out, just give them a call.
