Thread: [Trolled](#)

Errors - August 20, 2014, 3:01 pm

So, today I'm talking with a few friends, next thing I see something, '[Snorlax](#) has been rep fucked? After that the fact that his point was made that his post are still there but...<http://prntscr.com/4et2lr> . Then let's not mention his rep won't pass +3 even though he's [passed that mark with ease](#) . If this was a troll I must say, that was good Omni

Gary - August 20, 2014, 3:03 pm

He wasn't repfucked. He was just reset. Post count, rep, and awards.

Rep fuck = all positive reputation removed not the negatives

in this case all rep was removed.

Pillows - August 20, 2014, 3:03 pm

He's been rep reset, post reset, and most of his awards are gone. Well let's have a moment of silence for the god that died. :P

Griev?us - August 20, 2014, 3:04 pm

Damn that sucks.

I wonder if it's permanent.

Errors - August 20, 2014, 3:06 pm

It isn't a reset, go do the math. He's passed +3 and all of his post are still up, they just don't show on the profile.

cyberducky - August 20, 2014, 3:06 pm

Snorlax is a cool dude, I wonder why his profile was reset.

Pillows - August 20, 2014, 3:07 pm

His rep was reset to 0. The rep that you see now was recent. And I'll be a bit more specific. A post count reset.

Justin Timberlake - August 20, 2014, 3:07 pm

I'm sensing a mass of PMs going his way.

inb4 he gets a +100000

wellager - August 20, 2014, 3:07 pm

There's no way to bring his rep back so I'm pretty sure it's not a troll.

Rest in RIP. My personal opinion on this: this shit is hilarious.

Hydra - August 20, 2014, 3:07 pm

Yea guys, his posts are still there. Take a look at his threads, posts, and his post activity page.

I say this is a troll until Omni says it's not.

Dude, I was repfucked before. All your negatives stay. If you see his rep it shows 2:44pm for his first rep.

If you're talking about post count maybe it'll get pruned?

Omni could do a rollback on him but i don't think that will happen.

When you give somebody a rep, it automatically changes on the profile. It makes the tab refresh to show the current rep which it isn't doing... His post are still here, I can see well over 40 post in the SF and on my threads so they are still here ?

Deko - August 20, 2014, 3:12 pm

GG 'Snorlax really. Quite unfortunate for him because he's confused as a headless chicken.

Grim - August 20, 2014, 3:13 pm

i dont understand why though lol what had he done wrong?

wellager - August 20, 2014, 3:13 pm

Hey, I just thought of something.

Maybe it was Omni who gave him everything he could get on the forum - awards, and along came reputation, status and group slots. Maybe he feels like taking it all away now?

True, but Omni didn't give himself \$500.

If I'm not mistaken he did leave the MD in his awards.

Mikasa - August 20, 2014, 3:18 pm

Dang, thats weird as hell. Will be funny to see what the story behind this is.

420 Lord - August 20, 2014, 3:21 pm

What the fuck? Waiting for Omni to reply...

Nevieth - August 20, 2014, 3:22 pm

I'm actually a bit unsure what happened, I hope Snorlax is okay, he always seemed like a cool dude.

Shoppa - August 20, 2014, 3:23 pm

His usertitle ?

"AT LEAST TELL ME WHAT I DID WRONG"

Erhm I don't know. If 'Snorlax did buy it it's natural since all his paid awards are left. If not I don't know what the hell is going on.

Sweetie - August 20, 2014, 3:31 pm

His rep says he was "corrupt" and then he was gangrepped by Vinnie. :D

Trap God - August 20, 2014, 3:34 pm

Can someone explain to me who the fuck he is and whats going on? I'm honestly confused.

Shoppa - August 20, 2014, 3:36 pm

Omni is fucking with his head

Tutelary - August 20, 2014, 3:37 pm

Apparently he doesn't know what happened, and told me to go ask Omni. Though I'm not gonna do that, someone else can.

Thomas Jefferson - August 20, 2014, 3:43 pm

Repeat - August 20, 2014, 3:49 pm

Rote - August 20, 2014, 5:10 pm

Really want to know of what caused this to happen. I would really suck to be him right now, it's like you just wasted all the effort for nothing.

CRT - August 20, 2014, 5:13 pm

I remember when Omni did this to Yellows. He only reset his post count though.

His story is one of the reasons why I don't spend time on online forums anymore.

Rather saddening, in truth, to see all that you've worked for go away.

Blast?ise - August 21, 2014, 5:55 am

I liked 'Snorlax. He was the reason my name is Blastoise.

Nevieth - August 21, 2014, 7:43 pm

To anyone still unsure of what happened, here is Omniscient official thread about this issue.
