Amagi Brilliant Park

The story centers around high school student Seiya Kanie, a self proclaimed genius with looks, intellect, and athletic ability. On a Sunday, a mysterious transfer student who carries a musket gun takes him to an old and deserted amusement park, Amagi Brilliant Park. He is told that if the park can't attract 100,000 visitors in the next two weeks, it will be closed immediately. And thus the business comedy, Amagi Brilliant Park, begins!

One of the series that caught my attention that is airing this fall. Are you looking forward to it?

Episode 1 Impressions [\(Click to View\)](#)

Man. What a way to open a show. THE HYPE IS REAL. I'm so psyched that this is going to be airing. I've been waiting since January for it. :P

Ang?I - August 20, 2014, 5:17 pm

I can't wait for this, especially since it has the same writers as the Full Metal Panic! series.

Wayside - August 20, 2014, 6:43 pm

Nice, I think more similar titles would be better :)

Madam X - August 21, 2014, 11:20 am

I'll defiantly be watching this. Thanks for the post. I'm looking forward to getting my fall anime list ready. Going to be needing something to do while I'm at school.

Dragon. - October 7, 2014, 2:19 pm

Oh hell yeah. Episode 1 came out yesterday. I can't wait for next week's episode! :D

zyvox - October 7, 2014, 2:27 pm

"Genres: Comedy, Romance"

Looks like it contains fantasy/magic aswell? I watched the preview. I'm gonna check this out aswell, I really like the art style.

How was episode 1?

Dragon. - October 7, 2014, 2:29 pm

Meh. Looks like it, but those are the genres listed on MAL.

I found the first episode to be really entertaining and it left me with a lot of questions. Expecting a lot from the writers of Full Metal Panic! and really eager to see what they can do with the series.

Dat Fairy Tail reference in the opening :D

If someone is fluent in Japanese kanji, can they confirm this?

Might be my favorite so far this season.

Aar?n - October 12, 2014, 2:45 pm

This anime has been good so far which is surprising since Kyoto Animation has been disappointing to me for two years straight.

I'm glad they're making something that I don't consider mediocre.

There was a delay due to a schedule change with the TV channel (Volleyball game).

The new episodes will be released on Thursdays.

I don't think it will be a filler, just the events that follow after the park is saved, which is my opinion of course. I feel like Kanie will decide to stay and become the permanent manager of the park.

They could do a flash back and expand on Latifa's background/history with Kanie.

Tbh though, that would be stupid. The raw episode is out, but I refuse to even skim through it out of fear of it being ruined.

Yeah just what this person said. That's the main time it goes online.

VYKTOR - December 19, 2014, 8:03 am

Just watched it.
A very nice episode.
I thought it was the last episode but there's still one more to go.
I'm wondering what they'll show on the next one.

Sasaki Haise - December 19, 2014, 10:12 am

oh boy, thought it was a closure this episode, but I guess we'll see some ships last episode ^.^

Dragon. - December 19, 2014, 1:00 pm

Just finished episode 12.

I wonder what the last episode is about... probably just a filler episode.

Ang?I - December 19, 2014, 1:30 pm

This episode definitely seemed like the season finale.

Kinda a spoiler, kinda not.

Spoiler [\(Click to View\)](#)

I knew from the start that Kanie wouldn't leave the park after their deadline. I also liked the way they let Latifa's memories stay this time.

Maybe it will be that Kanie x Sento sex scene ?

zyvox - December 19, 2014, 1:43 pm

Enjoyed this episode, although it did seem like a good way to end a season... So what the hell is ep13 about?

Agree with your spoiler, was kind of predictable.
Agree with your other statement too ?

I personally like that red-haired girl they hired during one of the episodes.

A great anime indeed, I sure hope there will be a second season. If not then I'm sure a willing translator/scanlator is eventually going to pickup the Light Novel or Manga Series. (Hopefully)

Ang?I - December 26, 2014, 7:18 pm

Sadly, episode 13 did not contain a Sento x Kanie sex scene. Even though the last episode was a filler, it was still funny and enjoyable just like the entire series.

I see what you did there Amagi.

I was waiting for something to happen between Sento & Kanie but I was let down.

Seriously, the series was very good but I didn't understand why they put a romance tag on it when almost nothing happened.
