I hope all the eBooks you're selling are made by you, because that's violating most of sellers T.O.S to leak their methods.

Pay 2 dollars and make a hundreds - thousand in a few days?

Explain why you sell it for so little?

Last EDIT: I wanna vouch copy, PMing now.

Good luck with sales OP. These always seem sketchy, makes me think you're just selling a bunch of free eBooks or other peoples eBooks especially since its such a low price. GL though!
