Thread: [Want HF's newest award? Monero \(XMR\) only \\$22! \[INSTANT AWARD\]](#)

Cameron - August 29, 2014, 12:08 am

Update: As of 11/22/16 this is a Monero only exchange. More payment options will become available shortly.

Update: 11/25/16 - I'm now offering INSTANT award purchases, meaning you won't have to wait on 10 XMR confirmations through coinpayments. It will be applied to your account as soon as I pay it!

Hello all,

Getting back into the exchange market again, and I have a tonne of XMR to sell, so why not help HF members get their hands on the forums newest award with next to no work.

All you'll have to do is send me the \$22 in BTC and I'll take care of the rest from my end. Do note that awards can take up to 24 hours until fully processed on coinpayments but is generally fully confirmed and completed within 1-2 hours...

I'm also buying and selling BTC to members from Australia.

Min I'll do is 1k.

Looking for WU/MG.

We would use phyber for escrow and I'll cover the escrow fee.

If you eat the WU/MG fee I will do 1:1.

Otherwise if your going to stiff me with the transfer fee (30\$) expect 3% rate.

Or we can use localbtc escrow.
