Why is everything you post so negative, you must really have no life.

And as for OP, one of the realest niggas in teamspeak.

YoloR - August 30, 2014, 2:14 pm

Wow, you're a good friend. I wish I had people like you in my life....

'Psyduck - August 30, 2014, 2:16 pm

Happy birthday Vicellus! That is a very nice gift OP, you are a great friend!
I wish I had friend like you. :/ Feels bad to be a loner.

What is he saying wrong? OP made this thread to collect reps and show people how "generous he is"(as in, looking for attention). Have you ever seen someone take a speaker at a Birthday and scream "Everyone, look at me, I bought a new iPad Mini for X". It's purely Attention/Rep seeking from other members, This could've been handled via PM.

Tokyo - August 30, 2014, 2:43 pm

Happy belated birthday Vicellus! Have a good one mate ?

Happy Birthday to Him. May Allah Bless him

hyhyhhrf3 - September 1, 2014, 5:29 am

So you did a nice thing buying him a birthday gift, okay, but what is your incentive to post it? Why do you want people to see you bought this member a gift? Why does anyone else need to know you've sent this member a gift? What are you looking to gain from this post? These questions need to always be asked.

PS: You're a rat.

Don't be a killjoy, Dom. He did something really nice, and I am personally interested in this post, and I am sure others are too. That warrants the creation of a thread.

Talu - September 1, 2014, 8:58 am

Happy birthday to him, hope he has a good one.

Stealth V2 - September 1, 2014, 8:59 am

So every time someone does something nice they should post about it on Hackforums? For what? Rep? For someone who likes to proclaim himself as a "business man" this is really pathetic.

Poison X - September 1, 2014, 11:29 am

Looks good seeing people giving back to people!

0x - - September 3, 2014, 6:05 pm

Since Vicellus cannot post because he's banned I'll post for him.

He received it and he's happy as fuck, end of story.

Vicellus Drum - September 9, 2014, 10:06 pm
