You wont find any FUD crypter for \$10, sorry man

Tomaten - August 31, 2014, 8:04 pm

You'll need a bigger budget for a fully FUD crypter.

Scantime and runtime? I charge 100\$ for builds for mine. I have seen some higher and some lower,
thats around medium range though.

So u just need a stub FUD for a week right? Like I crypt your file for small fee it's a private crypter
so it's FUD for at least a week.
