Zexi - December 1, 2014, 5:16 pm

@Andy Tate

It's really hard to work in a huge canvas like 650x200. But yeah here is my try. :P
ver 1.

ver2.

@Present

As said earlier its hard af to work and place renders properly in a 650x200 sigs. Nvm here:
ver1.

ver2. ik u bitchin about border but still had to try it on. movie borders <33

@UDP

Yours is probably the shittiest out of them all. Haha :D

So yeah please post again but be more specific and give me a render where he fucking fires the laser,couldnt find it anywhere. :O

@Everyone else

I'll make your sigs tommorow cus its 2:15 am here right now and im ewhoring. You know what they say the things you have to wait for are sweeter. :)

Hire - December 1, 2014, 10:36 pm

Wow thanks! That looks amazing! :)

Keep it up!

Thanks <3

Zexi - December 4, 2014, 2:23 pm

Sorry guys for the wait didnt have internet for 2 days.

@Michael

Bro wasn't really creative for the comic style. Sorry. ./ I ain't so creative + got a massive hangover from last night so yeah. ./

ver1

ver2

@Cameron

Simplistic but sleek. Added currency exchanger because its your user title idk. Enjoy.
ver1

ver2

ver3

@Seer

As you can see i fucking suck at text placement but yeah i pretty much love this signature so yeah.
I'm fucking in love with this piece. .
ver1

ver2

ver3

@Spanish

Was too lazy to render the musketeers or the spanish guys idk what the fuck are they,so made it a typo like cameron's. If you dont like it post again please and be more specific with renders and shit.
:D

ver1

ver2

@Everyone else,im sorry. Didn't have time today to finish your requests. Will do them tommorow,btw albert your sig is like hard to make cuz of the long text. But will either try to make it as a type or a classic sig with text on the lower edge of the sig. :)

DeJaVu - December 4, 2014, 2:24 pm

Hey man you think you can make a signature with the Air Assault Helicopter with something like Air Assault over it?

here is an example of the air assault helicopter -

<https://gyazo.com/778b9beecb21f49de25b6d0c08e105eb>

and here is a render of the heli, can you just make it look good with whatever experience you have?
