Thread: [All Members | Phone Verification Service](#)

Bosto - September 1, 2014, 3:56 pm

Today, I am offering a free phone verification service. Any member can request a verification service so don't feel shy if you are a non-upgraded member.

Also, you can use this service for anything. (PayPal, Amazon, YouTube, Gmail, etc)

All you have to do is post or private message me so I will be able to give you the number you can use to verify your account.
