Thread: [\[Rat Service\] Proficient RAT Mentoring Service -| Cheap| Mentoring| Spreading| Crypt|](#)

Weiss Schnee - September 2, 2014, 5:41 pm

We are here to bring our customers an enjoyable and educational ride to success in all thing RAT. We have given many customers the satisfaction of having all these difficulties taken care of by our advanced team of RAT consultants. Many of you are new to RATs and need the advice of someone who has spent endless hours perfecting their skills so that they may bring you the best help they can. We here are those type of employees that are more than willing to take your RAT experience to the next level with their wide knowledge and experience with the matter.

We understands that there are many services where you won't feel like you've been helped. Some services even make your situation worse by just taking your hard earned cash and teach you absolutely nothing. You might even say that you feel scammed. But theres no need to worry when purchasing from us because we give each customer a one on one experience where we teach you to spread your RAT from our own spreading material that we know works. We are a one man service that will actually talk and guide you through your troubles.

We not only bring you RAT expertise but we bring you affordable prices on all our services.

-Mentor you to spread with different unsaturated methods. \$5

-Rat setup/Crypts/Troubleshoots. \$3.5

-Anyone that purchase our service will get 20 free installs plus we will spread for you over a unsaturated niche.
