Thread: [E-whoring guide \[NOOB FRIENDLY\] Working as of November 2014.](#)

Heulen - September 3, 2014, 12:35 pm

Since i posted a [THRRRRREAD](#) in the bragging rights section a lot of people requested help with e-whoring.

It was too hard to help every individual so i decided to just make a guide with (i think) all things you need to start off.

<https://mega.co.nz/#!2FNQkBwa!xC1BvmeplDB9qDKAJ3Xvvt2fMaQzHqJAhY2iCT1udC0>

there's the download link. please keep in mind that this was typed in a small 30 minutes. I won't charge you guys anything. just feel free to use it and all tips are more then welcome.

PLEASE give feedback and questions, i wil add a FAQ to the guide if get enough questions.

Answered questions:

Spoiler ([Click to View](#)) (Sep 7, 2014 12:36 AM)Dyingsoul Wrote: [\[CITE\]](#) I've heard many things about being limited but nobody tells the exact situation, I have questions in my mind:

-Can get limited by purely accepting payment, while not sending it to main account? For example: getting 10\$, getting 25\$, getting 15, 10, 10 ... until getting about 100\$ then I send it to my main. When does it get limited? when appecting or sending money?

I still don't know how the limiting works. i have been limited only once and that was on my US Paypal account. The only thing i think should help is making your main account verified. this gives Paypal less reasons to limit you.

(Sep 7, 2014 12:36 AM)Dyingsoul Wrote: [\[CITE\]](#) -What do you do if you have a limited paypal account? you cant accpet/send any money? What if there are about 50\$ stucked there? Are you creating a new account or what?

I always just cal Paypal a few times. sometimes, if you're lucky, you get a really kind and dumb operator on the line and he/she just unlimits your paypal. but mostly this doesn't work so i just create a new one. the money that's still in there is lost. Just bad luck.

Vouches :D

thanks bro!

but can u tell me how u get the money from your fake paypal adress to your real bank account? I mean, isn't it a risk to get busted?

EnTerPlays - September 4, 2014, 10:32 am

thanks for the share, and not turning it into an overpriced ebook

i do this method but it takes so long to find somebody who is wanting to pay

There's hardly any risk. you just make up something in the description of the payment that makes it look like any normal transaction.

GamersUnited - September 6, 2014, 3:31 pm

i'll probably try this, good thing is that I have real unique nudes that can't be found anywhere. Many from each girl and I've got a couple. Meeting random chicks on snapchat and getting free easy nudes for days, love that shit.

FreakSec - September 6, 2014, 3:33 pm

I have a perfect kik for this, It has more then 50 Girl contacts that are thirsty as fuck.

xAttack - September 7, 2014, 12:04 am

Vouch, this definitely works! I've made \$83 over the course of 3 nights.

The grammar in your guide can be improved, though it's not essential. I found your guide to be easily understandable, and simple to execute.

Dyingsoul - September 7, 2014, 12:36 am

Read your guide, it's awesome!

I have some questions:

I've heard many things about being limited but nobody tells the exact situation, I have questions in my mind:

-What do you do if you have a limited paypal account? you cant accpet/send any money? What if there are about 50\$ stucked there? Are you creating a new account or what?

Please answer these questions as detailed as you can.
