Thread: [Froggy's Rep Redacted?](#)

Stupid - September 5, 2014, 12:22 pm

I was literally just on Froggy's profile, when suddenly the rep changed from 11726 to 1726.
I thought it was a bug, but Omni actually removed his +10000 Rep. What happened here? Drama?

?

She probably asked him to remove it.

Omni gave her rep and now he's taking it back. Probably to surprise her when she gets back from her vacation ban.

I don't see anything wrong with that, that'll relieve a lot of bitchy members' jimmies.

idk seems like something has been going on there, she got a 1 day ban the other day also.

SoulZeh - September 5, 2014, 12:25 pm

Love how if something happens it's automatically assumed as drama..

There could be a lot of reasons why this happened.

Omniscient does objectives that sometimes we will never know about.

That's a vacation ban. She basically deactivated her account for a few days

True, but normally if it wasn't drama perhaps Omni would of merely lowered it to a +5 or something, a neutral makes me think something went wrong. Hope not though.

its Omni Forum , no one can ask why omni added 10k rep and removed rep

Between talking about rep is against HF Rules , Just joking :P

Not really, he is his own man, a strange one if you ask me.
