1. You never asked for a link.
2. Trophies aren't glitched.
3. I changed my username on HF yesterday.

So watch what you say, I'll even message you on the account.

Sorry To Trash Thread Bro but this account has been on multiple Forums Ect. also This account is not worth 200-250 its worth around 100-150

Sorry GLWS ?

Magic™ - September 6, 2014, 8:29 am

Sorry for sales trashing OP, BTW, he had the exact trophies you did, which is why I was skeptical lmao. Both non glitched. Although since it's only a a high 3Digit, you won't get more than \$150~ for it.

(Sep 6, 2014 11:43 AM)?? ? Wrote: [\[CITE\]](#) BE VERY CAREFUL TRADING WITH THIS USER!!!

I was scammed by someone selling a GB account that looked very similar to this one 2 years ago on Sythe.org

The GB account seems to be the exact same one, he used the same team's logo as his avatar and also went by Jared.

He took my money and never gave the account, reported the scam and had the user banned on Sythe.

Again, this seems to be the exact same person, same avatar, name, and a very similar, if not the

same, GB account. I, PERSONALLY, WOULD NOT TRUST THIS USER.

Sythe thread where I posted scam report:

<http://www.sythe.org/report-scammer-archive/1497298-scammed-100m.html>

WTF!?! Stop lying... I just got this GB account no more than 3 months ago. Also I don't have a username on Sythe named Jareds nor do I use Sythe. 2, I don't even play Runescape so theres your answer.

Thanks for the apology, I have 2 accounts both w/ a few of the same achievements. I'll take \$150 if it comes down to it.
