Difficulty: 2/10 - the method is fairly easy to use, though it required some thinking.

Ease of use: 6/10 - the tutorial didn't explain what to input on some websites which made it a bit hard to understand, though the method is quite easy to do once you know how to do it.

Grammar: 7/10 - it needs some improvement in certain parts.

Originality: 10/10 - I have never seen this method before.

Finally my review!

I got a vouch copy, and this DOES work on Craigslist!

I never seen this method before, and it's very original.

I'm not sure if this works, or if you can recycle phone numbers, but this is a decent method.

GLWS!

Thanks man and you can rinse and repeat to get new numbers and verify more sites.

Glad it works for Craigslist ?

Vouch for Kush, legitimate Seller don't hesitate to buy.

**Nandhugp** - September 24, 2014, 8:47 pm

Can this verify call verification or only SMS verification?

**BlaqkAudio** - September 24, 2014, 9:39 pm

Uhm, does the method involve using the program Pinger?

**21 Savage** - September 25, 2014, 7:37 am

to answer both questions ,

No no use of a pinge

yes sms and call verification if you buy this buy autobuy by clicking the thread , pm me
