He's not going to get called out on the <\$100 stuff, but he still hasn't cancelled the \$600 chargeback on me. Waste of my fucking time.

Are you fucking joking with me? I sent you the damn password I was signed out and the picture and name on account is different you sound like Leader Fk. Gg. Pay up now or return. Simple af. Once I open scam report you decide to reply. You were scrolling feeds I sent and you changed info and logged off hf. Now you know you have a threat. Return it's not worth your hf account.

If a staff or someone would like to read the messages and him purposely not replying will be perfectly fine(: I'm not to smart to post a picture etc.

Staff does not get involved in Deal Disputes as far as I know.

Good luck resolving this.

There are a few things wrong with this scam report

- #1. You did include a link to his profile along with his UID
- #2. Your words mean nothing you must include solid evidence (Pictures)

If you don't know how to include images follow these steps

- #1. Go upload the pictures to imgur.com
 - #2. Link them in the thread with the bb code below

A few exceptions have been made fairly recently, especially involving those on "sprees". Don't worry, this user will be dealt with one way or another fairly soon.

Like I said, don't worry. He'll get his eventually. Very soon, I suspect. Hope it was worth it, Bubz. I'll pray for you.

Mobycock - September 8, 2014, 7:57 pm

Okay so I go to messages and I know I cleaned out messages cause they were full but I don't think I deleted message with me sending password. Is there anyway if they delete a message I sent them it will be deleted on my end? Or could some staff overlook my trash I sent info.

I'm not tripping. Anyone on kik check ** I have screenshots account saying "***** 600k" then "***** <3" most people know he has huge stats to match that reason.

Here's messaged minus me sending pass magically deleting.

Deal is resolved user decided to pay me back. Thank you.

1. Add their UID in the title.
2. You need solid screenshot proof, anyone can fake text.
