Thread: [\[Denied\] ABOUT MUSIC SECTION AND"SPORTS SECTION"](#)

[[R9]] - May 27, 2010, 6:39 am

Here is my suggestion admin:-

i. Music section is in freaky zone and there we are having very less visitors so maximum music threads end up popping in lounge i request you to move that section to OPEN DISCUSSION SECTION.

ii. Here is my second suggestion but i may be confused in this one so please HF members inform me about this one.

I didn't seen any sports section anywhere in HF i think we will have good number of interested member in HF in sports section as FIFA is coming.

PLEASE POST YOUR OPINIONS ON THIS AND STAFF MEMBER PLEASE LET ADMIN TO GIVE HIS OPINIONS ON THIS ONE BEFORE CLOSING THIS.

And Sports Section Should Be taken into consideration

? Elektrisk ? - May 28, 2010, 5:38 am

1. I agree that something should be done to revitalize the Freaky Zone in general.

2. I wouldn't participate in the sports section. Maybe use it to scope out the jocks on HF, but that's about it.

1 Whole Freaky zone doesn't bother me what bothers me is music section i have requested to move it to genral topics section most of the people are confused about that.

2 I think we will have good number of intrested member for "SPORTS SECTION" but very less visit suggestion thread so they are not posting here.
