Thread: [Question about a website...](#)

Centuries - *September 9, 2014, 1:51 pm*

I have a question about lifetimeboot.com what is wrong with it? I wanted to use the booter I just bought... and well

Rolex? - *September 9, 2014, 2:01 pm*

Just try again later in the day more then likely just doing maintenance

Skorp - *September 10, 2014, 12:17 am*

Nothing significant, just a misplaced file somewhere in the directory.

-zERAI - *September 10, 2014, 2:15 am*

A misplaced file somewhere, contact the website owner or just be patience.
He'll probably notice it himself.
