Thread: [\[Wanted\] Matching Avatar and Sig](#)

Hulk™ - September 9, 2014, 4:27 pm

Surprise me, please.

All I ask for is to have "Snakbox" and try to stick with black and red:)

Thankyou.

Hulk™ - September 16, 2014, 6:47 pm

Anyone can do this, been waiting a while now:P

Arctic Wolf - September 16, 2014, 7:22 pm

I'll start working on this now, mean while post on my thread:

<https://hackforums.net/showthread.php?tid=4433350>

Here you go man I hope you like it :)

razernwin - September 16, 2014, 9:54 pm

You didn't really provide any information, so that's probably why.

Hulk™ - September 17, 2014, 6:33 pm

Anyone else attempt? I'd prefer a GIF for the signature, black and red theme please

Adorkable - September 18, 2014, 2:20 am

It's small, but that's because of the height restriction, otherwise I would've resized the proportionate image larger.

Enjoy!

Enjoy!

Nice attempt, still looking for others!

Lockheed - September 18, 2014, 7:58 pm

ill give it a go. ill update when im done :)

Update: are you after something clean and simple?

Heres the sig. If you want any changes made be sure to leave them below :)
