Tigri - September 10, 2014, 6:58 am

Tigri's Phone Verification Service!

Add me on Skype for instant reply -> [Capolandro](#)

Welcome to my service, I'm offering the cheapest Phone Verifications on HF.

I'm really the only one with access to 1000+ real cards, that can handle all the transactions, destroying every card after a verification so the number won't be used again.

Features:

- Cheap
- Fast
- Always Available
- Unlimited Verifications
- Dutch Numbers (+31)
- Possible for anything (Facebook, Instagram, Outlook, Google, WhatsApp, Uber, Steam, Nike, Telegram....)

Current price: ~\$1.50-\$2.50/verification (Custom plans? PM!)

Payment methods: Bitcoins/PayPal/Ethereum

If you have any questions, feel free to send me a message.

Tigri - September 16, 2014, 10:57 am

I just purchased Tigri's verification service and damn, this guy is so co-operative! We both sat for like more than 2 hours just to verify about 40 numbers. He helped me patiently despite both of us getting annoyed due to the third-party system's slowness yet he was still with me until the full task was done. Highly recommend his service and will be very happy to buy from him again!

Thanks & Good luck bro!
