Thread: [Reduce/Minimize footer space](#)

CyberneticTitan - September 11, 2014, 5:17 pm

How can I get this:

To look like this?

Here's my footer.php:

Code <footer>

```
<ul class="container">

    <?php if (!function_exists('dynamic_sidebar') || !dynamic_sidebar("Footer")) ; ?>

</ul>

</footer>

<div class="smallFooter">

    <div class="container clearfix">

        <div class="sixteen columns">

            <ul class="smallFooterLeft">

                <?php if (ot_get_option('donatelink') != "") { ?>

                    <li class="donate"><a href="<?php echo ot_get_option('donatelink') ?>"><i
class="icon-plus-circled"></i><?php echo ot_get_option('donatebtntext') ?></a></li>

                <?php } ?>

                <?php if (ot_get_option('contactlink') != "") { ?>
                <li class="mail"><a href="<?php echo ot_get_option('contactlink') ?>"><i
class="icon-mail"></i></a></li>
                <?php } ?>

                <?php if (ot_get_option('twitterlink') != "") { ?>
                <li class="twitter"><a href="<?php echo ot_get_option('twitterlink') ?>"><i
class="icon-twitter"></i></a></li>
```

```
<?php } ?>
```

```
<?php if (ot_get_option('youtubelink') != "") { ?>
<li class="youtube"><a href="<?php echo ot_get_option('youtubelink') ?>"><i
class="icon-youtube"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('facebooklink') != "") { ?>
<li class="facebook"><a href="<?php echo ot_get_option('facebooklink') ?>"><i
class="icon-facebook"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('vimeolink') != "") { ?>
<li class="vimeo"><a href="<?php echo ot_get_option('vimeolink') ?>"><i
class="icon-vimeo"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('googlelink') != "") { ?>
<li class="google"><a href="<?php echo ot_get_option('googlelink') ?>"><i
class="icon-gplus"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('flickrlink') != "") { ?>
<li class="flickr"><a href="<?php echo ot_get_option('flickrlink') ?>"><i
class="icon-dot-2"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('pinterestlink') != "") { ?>
<li class="pinterest"><a href="<?php echo ot_get_option('pinterestlink') ?>"><i
class="icon-pinterest"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('linkedinlink') != "") { ?>
<li class="linkedin"><a href="<?php echo ot_get_option('linkedinlink') ?>"><i
class="icon-linkedin"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('dribbblelink') != "") { ?>
<li class="dribbble"><a href="<?php echo ot_get_option('dribbblelink') ?>"><i
class="icon-dribbble"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('instagramlink') != "") { ?>
<li class="instagram"><a href="<?php echo ot_get_option('instagramlink') ?>"><i
class="icon-instagram"></i></a></li>
<?php } ?>
```

```
<?php if (ot_get_option('behancelink') != "") { ?>
<li class="behance"><a href="<?php echo ot_get_option('behancelink') ?>"><i
```

```
class="icon-behance"></i></a></li>
    <?php } ?>
```

```
    </ul>
<div class="smallFooterRight">

    <span><?php echo ot_get_option('smallfooterrightcontent') ?></span>

</div>

</div>

</div>

</div>
```

```
<?php wp_footer(); ?>
```

```
</body>
```

```
</html>
```

I'm no PHP or HTML expert btw :P

Thanks for the help!

My first idea would be to reduce the amount of padding and margin. I don't know what your CSS looks like, so I can't tell for sure.

Thanks for the tip.

Changed margins in the footer parts of my styles.css

Much better. Thanks a ton!

No problem, glad I could help you! I was pretty sure it would either be one of the two.
