Thread: [Skype Premium Account, 7 months \[First 10 to post\]](#)

iDuL - September 11, 2014, 8:19 pm

The winner is post #6.

PM'ing the winner right now.. look out for more contests, I'll be hosting more very soon for the same thing.

Skype premium accounts, not hacked at all 100% made by me with the codes which plagued the giveaway section months ago.

Spoiler ([Click to View](#)) This will be a quick and easy giveaway, as long as you meet the requirements you're in the clear.

Requirements:

Must be a member for at least 6 months.

0% Warning level

Cannot have -rep

The first 10 people who meet the requirements to post here will be entered.

Your post # will be your number.

This contest is for an account with 7 months worth of Premium benefits left.

I will be using random.org once 10 people have entered.

I have the right to refuse your entry if I deem you not worthy either. I'd rather not post a blacklist of the people I don't like on here.

? Best of luck to all of those who enter.
