I really want this, can anyone post me the download-link ?

Sorry for my bad english

aquaboy11 - September 15, 2014, 8:54 am

Great program MD5?, not exactly what I expected it to be, (I expected some 1337 h3x cracker where you could enter the username you wanted and it would try to crack that). But it works very well. Now I got the tool in case if I need any skype account.

So legit, such hax, very 1337, many skypez, wow.

HackOps - September 15, 2014, 9:37 am

Just sent you a PM! Hope too use this soon! :D

PartyPatrick - September 22, 2014, 9:19 am

Hey dude i tested it now. What it seems like is, that it give you a random account as you wrote. But the accounts it give is non- active accounts if i should take a guess? Or the last 20+ i got is non active with only 3freinds or a account with no freinds. Wich is still okay but i dont see it usable

Demonic Medicine - September 22, 2014, 6:26 pm

Well done! Tested it out, and it works like a charm :)
