Thread: [HD Wallpaper Pack](#)

**P?nda** - September 13, 2014, 11:00 pm

Just thought I'd share my collect of around 20+ high quality wallpapers. (I'm very picky with my wallpapers.) I hope you all enjoy them.

[Link to download](#)

Here's a small screenshot of what's inside.

Spoiler ([Click to View](#))

Looks good, most likely going to use the iPhone one.

Thanks ?

Only thing I dislike is the watermark in the bottom left corner, although I have folders in that place so I don't mind.

Thanks for the share again.

Yeah, my Windows 7 taskbar hides it, but none the less I wish I could remove it.
