Thread: [Name this Anime! \(Picture\)](#)

Little Girl - September 14, 2014, 7:16 am

I couldn't figure out the name, even tried googling the details of her

I'm guessing it's a fantasy/action ecchi style anime/hentai

Help me out please!

That isn't from an anime looks like it's from a visual novel.

Art leads me to believe its from a VN but I'm pretty sure it's just an original drawing.

Here's the original. The artist's name is Kokonobi.

I was going to say something about this young of age lolis, but then looked at your username and avatar, lol.

Younger than 10 lolis are weird for me.
