Thread: [Will you join my site? I'll join yours...](#)

Tay - May 27, 2010, 5:11 pm

www.skateforums.net

Just looking for people to join my site. You don't necessarily have to be active, I just want some new legit members.

I'll join your site if you want me to.

Amazing - May 27, 2010, 5:20 pm

I'll register, hopefully you'll return the favor.

<http://www.beastly-tech.com>

Edit: I've registered as Alex.

Is it about the game Skate from EA? If so That's extremely boring.

How is that so boring? You probably just don't like/play the game. Obviously something that you don't like or do is going to be boring to you. And if you do play and like it, we have tournaments with cash prizes and stuff, we just need more members to start them.

Sold - May 27, 2010, 7:09 pm

I would know how hard it is to get new members on a site. Thats why i'll register for you :)
