Thread: [Fix Grammatical Error in Rules Section within Free Services & Giveaways](#)

Astute - September 14, 2014, 5:29 pm

So I'm quite surprised nobody has noticed this yet, but there is a grammatical error in the Rules section, located within the Free Services and Giveaways Section:

Spoiler ([Click to View](#))

"Requires" should be changed to "Require"

Just a little something I spotted haha ?
Thanks guys! :)

This has been reported several times already. It isn't on the list for having a high priority to get fixed.
