Match-ups for this round will be done in 8 battles with 3 girls each. Each battle consists of one first seed, one second seed and one third seed. Girls that were in the same group previously won't be in the same battle. I used random.org to determine the match-ups.

In each battle the girl with the highest amount of votes will advance to the quarter finals.

Voting

Voting is really simple this time, just make a post and include the girl(s) you're voting for. You can vote for one girl in each match-up. You don't have to vote in every match-up.

You don't have to follow a format or anything, just try to make it clear which girl you're voting for. If you really want a format here you go: [\(Click to View\)](#)

Alright guys, tiebreaker time. [Eucliwood Hellscythe](#) and [Haruhi Suzumiya](#) both got 7 votes in Match 4.

Everyone is allowed to vote (regardless of whether you voted previously or not), make a post saying

which of those 2 girls you want to win. Deadline is in 24 hours from when this post was made. My vote goes to Eucliwood.

On a side note, some of the groups were really close (Match 6's and Match 7's winners were decided by 1 vote differential). It was really interesting to see who'd win in the end.

If you mean the very final results (e.g. crowning of best girl), I'll probably make a seperate thread for that as well.
