So, the past month or so, I've made quite a bit of money and this is just simply online money. Where I've truthfully done very little work. :)

Quite happy about it for the work put into it, and hopefully I can keep this going for the upcoming years.

Fix Yo Bottles - September 15, 2014, 5:54 pm

Typical thread, random pictures of dollar amounts... what does that prove?

Why not show statistics on your earnings? Monthly reports, etc.

I can make it look like I have billions of dollars if I wanted to, lol.

Regulus - September 15, 2014, 6:34 pm

That's awesome bud. Is that eBay or something? Keep earning :)

Erm, maybe to you? I know the value of a dollar. I know how much I've made through this site alone, and it's a hell of a lot more than the awards I have.

420 Blaze It - September 16, 2014, 5:43 am

Not bad man, explains your rewards and awards :P

Maximum - September 16, 2014, 5:45 am

I'm patiently waiting on Frawshy who is patiently waiting on a \$1,000 award.

Mr. Lahey - September 16, 2014, 8:21 am

Buy your \$1000 dollar award. I think you put that in Sig to make yourself look rich. ?

Illuminati? - September 16, 2014, 8:29 am

Looking good.

Keep going at it.

Soon you'll be making \$100,000 daily autopilot like us bigshots.

Jk but good job.

Oneplus One - September 20, 2014, 11:49 am

Yet you still can't pay me the \$140 you owe me, oh well ;)

That's what everyone does nowadays, tries hard to make themselves look rich.

Nigga was patiently waiting for the \$1,000 award and is now patiently waiting to be able to afford \$1,000 for an award.

Ehh, I have the money for the award. Though, I'd rather put it towards another investment for the time being as I really don't have a lot to sell here at this time.
