Ruining people's lives? You know that they are actors right... Teens don't actually see the show, have sex, then be on the show to get money.

geraldososa - September 15, 2014, 6:32 pm

This show is giving them a reason to get pregnant.

Because they have once went into our town, door by door and asked if they would like to help out with the show for a few hours in exchange for some cash.

They will think this is the easy way to get famous.

SmokeSatanHailMeth - September 15, 2014, 6:38 pm

I don't agree that this show is giving them a reason to get pregnant, but I do think it's saying in a way that it's more common thus getting more socially acceptable. I believe the show was trying to show the hardships of being a teen mom but in a way it has the opposite effect.

jjhister - September 15, 2014, 6:46 pm

Teens would be having copious amounts of sex anyway though.

NotArbiter - September 15, 2014, 10:23 pm

It's amazing what our society has come to nowadays, we get to watch teenage girls show off losing their virginity.

Yeah, I agree. Media has somehow influenced our lifestyle, morals, etc.

People will always do stupid things to get in the media, but there is a large amount of teens that will watch this show and not make the same mistakes. The show does not illustrate them in a good light, it basically humiliates them in the public eye.

Superiorx3 - *September 16, 2014, 12:45 am*

I strongly agree with you OP. It's a horrible influence on today's society, and it's not like they are going to be on this so called 'reality' tv show for the rest of their lives.

I guess we are gonna forget the fact that teen pregnancy is the lowest it has been in decades...

Age of consent is old enough to have a child.
