Thread: [\[BTC GIVEAWAY\] <>> EPIC BITCOIN GIVEAWAY <>> 0.08 BTC FOR EVERYONE <>>](#)

zSerity - September 19, 2014, 10:25 am

Due to bitcoins dropping in price, I want to help everyone out by sending out some btc. :) So I'll be giving away \$0.08 BTC to l33t's and ub3rs, and if you're special I might even send some more, like always ;)

How to enter this giveaway:

- PM me your BTC Wallet Address

Won't be looking back at the thread so if you don't PM me you don't get any. :p

Dang man this is like the third giveaway I have seen you do. Thanks for giving back man !

OP you might want to change the title a little as people might think you're meaning 0.08 BTC not \$0.08 btc
