Thread: [SkypeGrab.Net - New Front-End skype resolver :D - FREE RESOLVER API V2](#)

**TheNullOne** - September 19, 2014, 12:50 pm

SkypeGrab.NetBeta and Bypass skype resolver

IP2Skype function (working on CIDR /24)

Old resolved search (db lookup)

For celebrate our born, we will gift to everyone a free api key with 1000 resolve credits.  
Api V2 contains all function (resolver, ip2skype, db lookup).

How to get:

Visit [skypegrab.net](#)

contact our support (live chat or email) and ask for "PROMO14"

You will get a free api key with a custom name and possibility of ip lock.

looks pretty cool nice name for it as well (:

**TheNullOne** - September 22, 2014, 5:54 am

UP FOR THIS POST- STILL GIFTING KEYS! :D

**ProfinMC** - October 14, 2014, 8:17 am

Please, delete the captcha plugin!

And it doesn't have any bypasses!

**Bloodpulse** - October 15, 2014, 8:14 am

This is awesome, works great, thanks man

Is it possible that the person in question is about 200 miles off of where the ip says he is at?

**TheNullOne** - November 16, 2014, 1:33 am

//CLOSED (PROMOTION IT'S OUT SINCE LOT)

**BigDap** - December 9, 2014, 8:13 pm

Please close the other 2 threads you have of this, market-place violation to be reported.

**simpleman24** - December 9, 2014, 9:34 pm

How does this software work... I need more help

market-place violation to be reported. Normal users haven't this power ^^  
Already asked to staff, but still open.
