Then go buy them? I can tell you, Zeus isn't sold here or is allowed to be talked about since it steals card info.

Just saying that there are cyberpoilce guarding this website. And zeus is not allowed and they will try get everyone doing bad things on this forum.. If u get taken with that program your punishment will be pretty rough.. Don't do it.

NOTED, Mate. always know that.

Discussion on Zeus isn't allowed. We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.
