Thread: [\[Early Access\] Intel Monitor \[Upgraded members\]](#)

Yakz - September 19, 2014, 10:35 pm

Hey fellow HF members,

As i'm currently in the process of reopening a RAT I'm going to give a few early access subscriptions away.

What are the requirements? Must be an upgraded member.
Negative rep should not be greater than positive.

What exactly am i giving away? 5 early access license keys. (1month)

Some key features? Web based. (fastest)
Remote control.
Webcam snaps. (Realtime is being made)
100% FUD.
No portforwarding.
No connection between you and your client. (You -> Server -> Client -> Server -> You)
All common RAT features. (Keylogger, ect..)
Available from any iDevice or decent phone.
Much more..

How can i participate in this contest? Just post, your post number will count.

I think that covered everything, good luck to everyone.

Warm regards, Kush.
