I need to recover from the \$17 BTC that I was scammed by another user here. It would help out a lot as I'm trying to get on my feet and eventually purchase my first car by myself so that I can prove I'm capable of doing things on my own to some members of my family.

Im currently enjoying this forum and love all the services, tutorials, and free resources available to everyone at no cost. This truly an awesome forum. Thanks for hosting this. I was just playing around in my last post :P. If anyone has a legitimate money problem, don't even second think yourself, give it to them. Because a green title doesn't mean much if other people need the money more for more serious problems

I'd really love to receive this bitcoin. I know I may be a new member, but to get started I'd like to upgrade, and saving up for my l33t membership has been tedious lately. I know you will probably

not look at this because of my join date, post count, and reputation, however I'd like to say I'm a fully trustworthy guy that would love to become a fulltime member of this great website.

Tonight - September 20, 2014, 6:34 pm

I need this to supply my gambling addiction.

edit; Is the OP about me?! LOL

Gt403cyl - September 20, 2014, 6:48 pm

I could use the BTC just as much as any other member, either for future giveaways, or buying PC upgrades, or just stuff in the marketplace.

Thanks

VVanted - September 20, 2014, 7:11 pm

I'll possibly use this BTC to buy services from other users so I could improve my cpa/pdd. A lot of the ebooks I want to buy are only up for sale with BTC.

I've made around \$800 with CPA and and would like to improve :)

Some of the posts on this thread are just pathetic lol eg. BTC address + thanks ? just...wow lol

Opsxx - September 21, 2014, 12:35 pm

I'd take it. Darkweb ;). I can get a hit of acid for \$10btc

VYKTOR - September 21, 2014, 12:49 pm

I'd love to have this.

5\$ BTC now would be surely worth \$10 in the future & since my country's main currency ain't \$ so anything between \$ 5-10 is a big sum.

I'm trying to buy a gift for my Dad for all that he has done for me.

As a parent I know it's his responsibility but I must use every opportunity I have to make him happy.

The gift would surely be one.

I have already got around \$150 & I'm trying to buy something at around \$200.

So even a small contribution from you would be great.

That's all Thanks for reading.

?
