Thread: [Do You Need Spare Change?](#)

Trust - September 21, 2014, 7:07 am

Don't you hate when you almost have enough to buy something, but you're just a few cents short? So do I!

Soooo, I created this thread.

If you're in need of \$1 or less in BTC or PayPal, just message me or post below with what you are short in buying and I will try my best to help you out!

Please do not take advantage of me and request money for no reason, that's not fair to others who need it.

ONLY HAVE PAYPAL AT THE MOMENT!

Another thread is here: <https://hackforums.net/showthread.php?tid=4558927> if you are in need of spare change!

Purps - September 21, 2014, 11:46 am

OP, I'm not telling you how to run this, but rather making a suggestion. I think it would be smart to verify how much money the person has and how much what they are buying is.

Tip of the hat to you for doing this nice service.

Meow - September 21, 2014, 11:47 am

I'll give you both one dollar, but I won't give it to you now.

To make sure that you won't use the money on something else and to encourage you both to stick to your goals, I will give you a dollar when you PM me with your PayPal balance showing that you're just a dollar short for l33t/ub3r.

Just pretend like you have an extra dollar.

Guys, I'm really sorry, but I can't help everyone who has a goal.

This thread is designed to help those who are a few cents short of buying something.

Not to help those with large goals get a little ahead.

If I could help everyone, I would.

Unfortunately, I don't have that kind of money.

JonSnow - September 24, 2014, 1:07 pm

Vouch to Trust

Received the money after a few minutes

Cool service, I'm in need of money, but I'm not going to buy something that I'm a few cents away from, so I'll stay out of this for the moment.

Will come back if I ever need it. Thanks

Smexy - September 25, 2014, 6:19 am

Trying this again because I don't have any hope left.

Basically I'm trying to collect enough btc to buy CS:GO.

I was job hunting the last 4 days, sadly I only collected 0,72\$ yet!

PMd those who requested.

I regretfully have to close this thread now.
I just do not have the funds to help as much as I would REALLY love to.

If you need spare change, my good friend Basquiat has opened a similar thread which can be found here: <https://hackforums.net/showthread.php?tid=4558927>

Thanks for the good two months. ?
